

KYRA NANKIVELL

INDUSTRIAL ENGINEERING STUDENT

519-362-0710 | kyra.nankivell@gmail.com | LinkedIn: [kyranank](#) | GitHub: [kyra-nank](#)

PROFILE

Known for my infectious **energy** and intellectual curiosity, I thrive in unfamiliar situations with a diverse group of people. My **discipline** and **confidence** have enabled me to learn website design and implement it for paid clients. Currently, looking to elevate my skills through tangible professional experience. Interested in designing systems and technologies to **complement** human behaviour.

EDUCATIONAL TRAINING

The University of Toronto

BASc in Industrial Engineering | Honours

- September 2018 to Present
- Edward L. Donegan Scholarship
- National Society of Black Engineers (Website Lead)

ACCOMPLISHMENTS

National University of Singapore Internship (2022)

International exchange from January to June 2022. Access to entrepreneurship-focused courses and resources and **6 months of work experience** with a technology start-up.
